Online Voting Setup

Save time on your General Meetings by giving your customers the opportunity to vote online, before the meeting even takes place! To find out how to set up STRATA Master and your Owner/Committee Portals to use this great feature, check out the tip below.

If you're not sure if online voting is permitted by your legislation, we've had industry experts weigh in. Find out what they have to say about your state by checking here

For more information on Online Voting using the Owner/Committee Portals, check the release training below
