

Learn how to efficiently prepare financial reports and maintain budgets in Strata Master. In this session, we'll show you how to organise income and expenditure with accurate budget vs actual comparisons, streamline account payable procedures, and present consistent budget reports. We'll also share some tips to help you maximise your budgets and keep track of expenditures.

In this webinar you will learn:

- o How to create new and update existing budgets
- o Consistent account coding
- o How to update the Assets register
- o Tips to get the most out of your budgets
- o Tips to stay on top of important expenditure items before its too late
